

Choosing a school is an exciting and fun time for you, your child and your whole family. Corowa South Public School prides itself on providing a quality education to nurture your child's experience at school in a caring and stimulating environment.

We recognise that your child is an individual with their own unique learning experiences and personalities to share and build upon. Together, as a team, we want to share that learning journey with you and equip your child for a happy and successful educational journey.

COROWA SOUTH PUBLIC SCHOOL

# COROWA SOUTH PUBLIC SCHOOL

*Success for all learners*

*Small school,  
big opportunities!*

## A MESSAGE FROM THE PRINCIPAL

Corowa South Public School delivers excellence, opportunity and innovation in a nurturing environment.

By providing and implementing a quality curriculum, meaningful personalised learning and innovative practices in a culture of excellence, we ensure your children achieve success and reach their full potential as creative, resilient and resourceful learners.

We foster and encourage our parents to become partners with our teachers, in maximising their child's opportunities, experiences and educational journey at Corowa South Public School. Our dedicated team is committed to developing a positive and supportive learning culture that builds the capacity of all students to become successful lifelong learners and achievers.

At Corowa South Public School, parents and school staff work together to ensure the cognitive, emotional, cultural and physical needs of our children are the priority.

I welcome and encourage parents to be active participants in all school activities and their children's education. I look forward to seeing you in the school, the playground and the classrooms in the future.

Janet Conibear, Principal

## Beginning Buddies transition to Kindergarten Program

Your child will be buddied with a senior student who will support your child during transition.

Buddies will provide friendship, assistance and encouragement to ensure your child fully enjoys their Beginning Buddies Transition to Kindergarten.

We invite your child into the Kindergarten class to attend seven transition sessions during Semester Two.

Your child will be involved in creative and imaginative learning activities, establishing new friendships, becoming familiar with their teacher and learning about what it will be like at school next year.
