MOSAICS AND PAVERS PATH INITIATIVE

The project is completed!

The community is invited to attend the official 'Opening' of our new entry path to our school where the mosaic and signature bricks have been laid. Interested community members are welcome to attend the school on **Thursday 30th May at 11.00am** to witness the opening and join the students and staff for morning tea.

Many current and former students, staff and community had the opportunity to become a permanent part of our school's history by purchasing an engraved paver or create a mosaic. Generous donations of materials have been received from the community, including materials and labour.

The area has become an appealing visual link between past, present and future that includes the essential partnerships that make our school what it is- students, parents, school and community.

RSVP: Would be appreciated for catering purposes by Tuesday 28th May.
