Year 4 Corowa High School Experience Day

We loved Geography! We played a game where you had to answer questions. You won money (pretend) if you got the question right. We had the most money at the end and won a paddle pop. Cooper P. & Sophia

Year 5 Corowa High School Experience Day

I really liked how

They provided the food for us.
I didn't have to make my own lunch! Leticia

It was awesome.... when we got to cook. We made mini pizzas! Mila

My favourite activity was....

Laser cutting wood into Christmas decorations which we got to take home. Will

The best thing I saw was....

Laser cutting. We made a design on the computer, watched it get cut and then got to take it home. Aiden

I couldn't believe when.... We were allowed to print a design out on the laser printer. Byron

Christmas Spirit

Keep your eye out for our decorated trees in Sanger Street! Students have put a lot of effort into creating both a New Zealand and Mexican themed tree.

Bus Travel 2021

2021 school travel applications are now open Applications for student travel in 2021 opened from Monday 12 October 2020.

Students who require a School Opal card or travel pass for 2021 can now apply online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody). Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should re-apply or update their details. *Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years.

Students 16 years and over must complete the application form themselves. Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new eligibility criteria, they will receive an expiry notification via email. Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply. Term Bus Pass holders will receive a notification to re-apply. If a student needs to update their information or re-apply, they should go online to <https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2020 to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31 December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. Note: some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass. Enquiries regarding school student travel can be submitted to Transport for NSW at: <https://transportnsw.info/contact-us/feedback/passes-con>
