TERM 3 I WEEK 4 I 12 AUGUST 2020

Message from the Principal

Education Week

What a great week we had last week celebrating Education Week – buddy reading, tabloid sport lead by our Year 5/6 students, hot lunch special and mufti day. We are proud of our students and the fabulous learning that takes place at CSPS.

Stage 2 Excursion

The Stage 2 teachers are disappointed to announce the 2020 Year 3/4 excursion to Borambola will not go ahead this year.

This decision is made in accordance with Department of Education and Department of Health guidelines to ensure the health and safety of students, staff and community.

Kinder 2021 Enrolments

We are now taking enrolments for 2021. Please let the front office know if you'd like an enrolment pack posted to your home. Kinder orientation will take place in Term 4. Further information will go out early next term.

Parent teacher interviews

This week a booking information note is going home explaining the format for parent teacher interviews. Interviews will be conducted via Zoom and/or phone call. Please see your child's note regarding their teachers preference and availability.

Janet Conibear, Relieving Principal

Yabi News

Class Yabi has excitedly started the history unit *The Past in the Present.* This week we used our imagination to travel through time into the past, present and future. Students were asked the question 'If you could travel to any time, what time would you travel to?" Some of our answers included travelling back to Ancient Egypt, travelling to the past to become a knight or princess, staying in the present with our families, and travelling to the future to drive a flying car. Here are some of the wonderful pictures we drew to share our ideas. What time would you like to travel to?

Miss Clare and Yabi Class

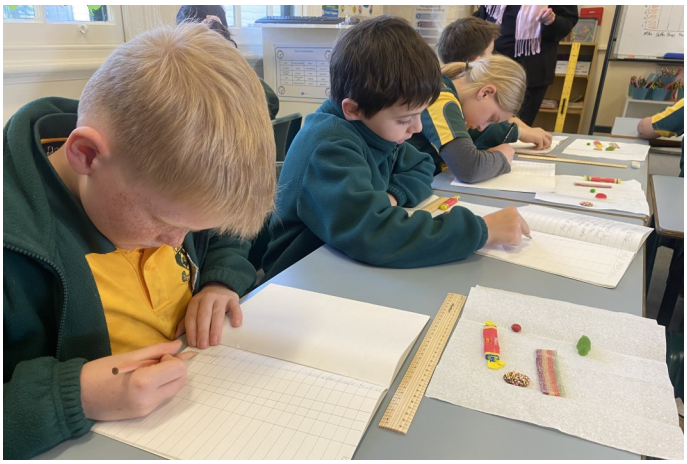
Maliyan News

In our mathematics lessons we have been measuring length and last Fun Friday we explored the length of our favourite lollies. Only lollies accurately measured to the nearest millimetre were eaten! We have also drawn and made nets of various 3D shapes. We were impressed that some unusual nets actually made the correct 3D shape.

We are learning about forces in science. Last Friday we discovered how balloons can move (as well as pop) outside in the sunshine. After some difficulty blowing up and tying the end of the balloons we investigated the forces - push, pull and gravity.

Well done Maliyan, you are all working hard.

Mrs Conibear and Maliyan Class



Wibigang News

Captain and Prefects comments:

This week we recommenced our School Achievement Awards. Congratulations to this week 's recipients. Last week's tabloids were a huge success and very enjoyable. **Amelia**

Thankyou to everyone who donated a gold coin for the SRC Fundraiser. We raised $38. **Lexi**

On Thursday 6th of August students had a choice of hot dog or a meat pie. They came with a prima. I thought it was very well set up. I hope to have something like that again this year. **Brilee**

Just a little reminder to please ask the sport monitors to get your epuipment. The sports monitors this week are Brilee and Ki. **Kieesha**

Sadly, because of quarantine our sport coach Adam will not be visiting our school because he's not allowed to cross the border until further notice. **Liam**

SICK? STAY HOME

COROWA SOUTH PUBLIC SCHOOL

WE WILL GET THROUGH THIS TOGETHER...

1

Students who are sick must not come to school.

Including those with coughs, runny noses, sore throats, ect.

2

If you are unsure, please contact the office.

Call us on (02)6033 1535 if you are unsure about sending your child to school.

3

Students who are unwell at school will be sent home.

Parents will be contacted and asked to collect students ASAP.

4

School premises.

Following directions from our Director, school grounds are only open to students and staff. Please remain outside of school grounds to drop-off and pick-up students.

5

Thank you!

Thank you to our amazing school community who continue to support our school, students and staff, daily. We appreciate you all.

Congratulations to our Award winners from last week: Liam, Byron, Nathias, Aiden, Cooper G, Jasmine and Chelsea.

Term 3	Monday	Tuesday	Wednesday	Thursday	Friday	Sat / Sun

Week 9	14/9	15/9	16/9	17/9	18/9	19,20/9

FLUFFY FLAT PANCAKES

GREEN (ACT) / EVERYDAY (NSW)

Makes 8 serves

Ingredients:

- 1½ cups reduced-fat milk
- 1 egg
- 1 cup self-raising flour
- 1 cup wholemeal self-raising flour
- ½ cup berries (fresh or frozen)

Method:

1. Preheat oven to 220°C.
2. Whisk milk and egg together in a jug.
3. Sift flours into a separate bowl, then make a well in the centre. Add in the milk mixture and whisk until just combined.
4. Pour the mixture into a lined baking tray. Scatter the berries on top, pushing them down slightly into the mixture.
5. Bake for 10-15 minutes or until golden brown and a skewer inserted comes out clean.
6. Set aside to cool for 5 minutes before cutting into squares. Best served warm by itself, or topped with yoghurt and/or honey.

Variations:

- Add as many different toppings as you like! Why not try raspberry and pear at one end, and apple and cinnamon at the other?

Tips:

- This recipe is freezer friendly. Heat a frozen pancake square in the microwave for a couple of minutes and it makes for a quick and delicious breakfast for busy mornings.
